W. H. Haller

God bless you all, my
dear children and grand
children; you gave me the best
pleasure and satisfaction by
your affection and kindness.
Keep the Lord in your hearts
as your most precious friend
I go to Him. He will be for
you a great deal more than
ever I was capable to be, so be

of good cheer! my farewell
to all my friends, particularly
to Gods children:

I wish that you should give
to dear Nörbors a beautiful gift
in remembrance of me.

"We shall be one again
in our fatherland in Heaven
it is our best!"
